A top-down view of a dark, rustic ceramic plate holding five golden-brown pan-fried dumplings (jiaozi). The dumplings are arranged in a loose circle, with some showing their crimped edges. They are garnished with thin, green slices of scallions. In the center of the plate is a small, dark, round bowl filled with a dark, chunky dipping sauce. A pair of light-colored wooden chopsticks lies diagonally across the left side of the plate. To the right of the plate, a bamboo steamer basket is partially visible, containing more dumplings. The entire scene is set on a light-colored, textured surface.
